**When installed at time of new-vehicle delivery.

Print this page and bring it with you to your local Acura dealer.

***Welcome to
Macro Systems, Inc.***

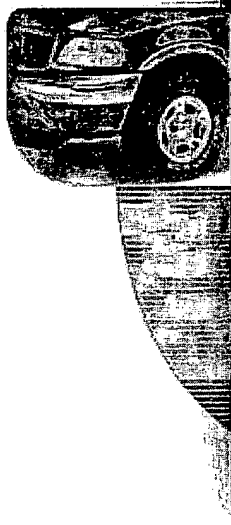

Who We Are

MACRO Systems, Inc., based in Portland, Oregon, creates and implements unique visualization and multi-media tools that drive accessory and aftermarket product sales, providing both comprehensive Dealership and Internet-based solutions.

Since its inception in 1994, MACRO Systems, Inc. has emerged as a leader in the accessories and aftermarket product industry, employing 100+ people in state of the art facilities and growing rapidly.

MACRO Systems, Inc. is uniquely positioned in the accessories and aftermarket product industry with the support of strategic partners that include three Fortune 50 Companies: a leading automotive manufacturer, a major technologies company, and a major diversified industrial firm.

What We Do

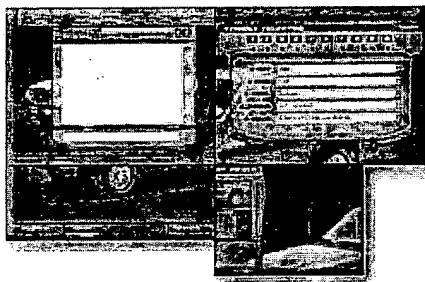

MACRO Systems, utilizing unique visualization and data mapping technologies, provides a high ROI solution for selling more automotive accessories and aftermarket products.

Our Core Products Include

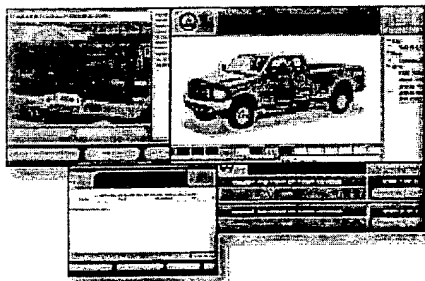

Virtual Dealership™ featuring the Accessorizer™

- Increases accessory and aftermarket product sales with our visual vehicle configurator and supporting sales tools
- Provides a turn-key, full service solution for your new profit center - "The Aftermarket Department"
- Delivers proven ability to simultaneously increase profits and customer satisfaction
- Leverages performance tracking and troubleshooting mechanisms for sustained high-level accessory sales and profitability
- Provides current and accurate accessory and aftermarket product information that is updated routinely via the Internet
- Helps you deliver your personalized Dealership message to each and every customer through high impact multi-media presentations

Internet Accessorizer™

- Provides your customers with the ability to visually configure their vehicle and personalize it with accessories and aftermarket products
- Presents detailed information on the accessories and aftermarket products offered by your Dealership
- Prints a picture of the vehicle configured and personalized with the accessories and aftermarket products your customers wants
- Compiles vehicle and part information for error free use by your Dealership personnel
- Adds additional excitement and functionality to your website, helping attract and retain customers

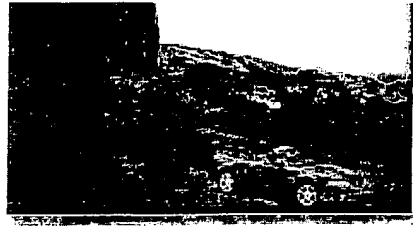

Our Services

- **Database Management Services** - We organize your

accessory and aftermarket product data (including parts #s, applications, pricing, etc.) mapping it to the appropriate illustrations for easy reference

- **Website Enhancement** - We add accessories and aftermarket products to your website at the touch of a button
- **Customized Photography Resource** - We make our high-quality photo database available to you at reasonable rates
- **Video & Interactive Media Solutions** - We provide streaming video, illustrations, and other media solutions to help you represent and sell more of your products with greater profitability

How MACRO Systems, Inc. helps you make money

For Dealers

- Increase your accessory and aftermarket product sales, profits and customer satisfaction (CSI) by offering customers the exact vehicle and products they want
- Enhance your website by promoting accessories and aftermarket products over the Internet
- Improve your CSI further through a consistent Dealership message that reaffirms a customer's new vehicle purchase decision

For Vehicle Manufacturers

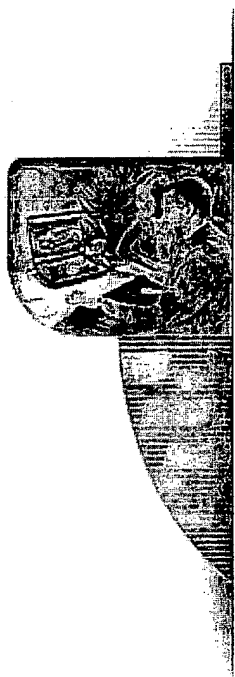

- Drive your Accessory Product Line Sales with the most advanced and effective visualization and multi-media tools
- Leverage a customer and dealer friendly retail process for selling accessories and aftermarket products

For Allied Vendors

- Increase your aftermarket accessory sales by promoting your products at the actual point of vehicle purchase and delivery
- Provide your Dealership customers with current information on your products

For Automotive Portals

- Provide your Internet consumers with the capability to configure the exact vehicle they want - including the accessories and aftermarket products that often personalize their vehicle
- Generate more valuable leads and sales - fully equipped with high-margin accessories and aftermarket products already configured

How MACRO Systems, Inc. helps you make money

For Dealers

- Increase your accessory and aftermarket product sales, profits and customer satisfaction (CSI) by offering customers the exact vehicle and products they want
- Enhance your website by promoting accessories and aftermarket products over the Internet
- Improve your CSI further through a consistent Dealership message that reaffirms a customer's new vehicle purchase decision

- Provide your Internet consumers with the capability to configure the exact vehicle they want - including the accessories and aftermarket products that often personalize their vehicle
- Generate more valuable leads and sales - fully equipped with high-margin accessories and aftermarket products already configured

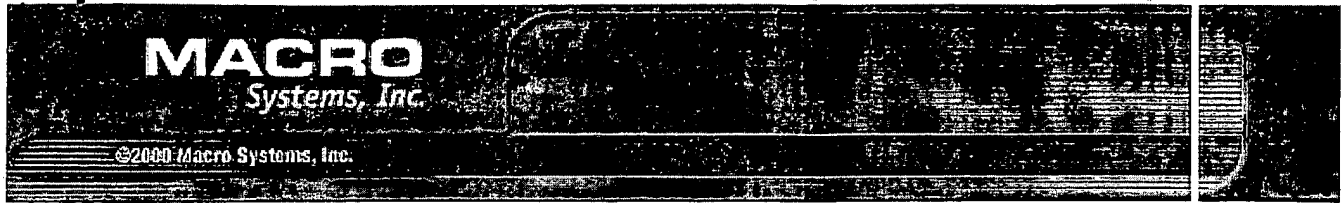

ACCESSORIZOR™

revolutionary

- Display limitless visual configurations of interactive vehicles that are vehicle and option package specific
- Easily access customer and order history information for performance tracking, sales reporting, and customer service
- Show your customer their personalized vehicle with added accessories and aftermarket products
- Convert the vehicle and accessories on the screen into a printable order form

My Vehicle. My Way.

As an MVAT consumer, you will enjoy the opportunity to visit a participating, ATmarket certified retailer, and "show your personality."

Motor Vehicle ATmarket means that you are in the driver's seat. No more one size fits all.

Show your personality, by custom designing your vehicle with ATmarket certified and warranted accessories.

Enjoy the support and assistance of your vehicle retailer in selecting vehicle accessories that meet your lifestyle needs. Choose from a wide array of individual products or special packages designed specifically for your vehicle.

All products are built by ATmarket certified manufacturers in accordance with standards developed by the world renowned Society of Automotive Engineers (SAE). As a result, MVAT offers the consumer complete warranty coverage and service on all ATmarket certified products.

Membership is free for participating consumers, providing access to a wide range of additional services; all designed to enhance your ownership experience.

A Customer for Life.

Realize your highest consumer value by meeting the individual needs of each and every customer.

As an ATmarket certified Retailer, you will have the opportunity to bring a unique added value to the customer buying experience.

Create a one-on-one buying experience for your customer, assisting them in personalizing their vehicle with a wide range of top quality vehicle accessories.

ATmarket technology will allow you online, real-time access to a broad portfolio of individual accessories and pre-designed packages. You and your customer can together configure the vehicle of their dreams.

Enjoy the comfort of knowing that ATmarket showroom certified products are built in accordance with standards of the world-renowned Society of Automotive Engineers (SAE).

ATmarket products are designed to be OEM compatible. And, MVAT offers a complete warranty program with each product.

The ATmarket product portfolio will allow you the opportunity for increased sales and

Reach the Mainstream Consumer.

Drive Your Products Directly Onto the Showroom Floor.

As an ATmarket Certified Supplier, expand your market penetration and bottom-line profitability by delivering your consumer product via the nation's 106,632 automobile dealerships.

Currently, only about 10% of aftermarket accessories are sold to the consumer through the dealership environment. The opportunity is limitless.

All ATmarket certified products benefit from the reputation of the world-renowned Society of Automotive Engineers (SAE). Your products will be "Showroom Certified," by the SAE and the Motor Vehicle ATmarket Association.

Supplier members have an opportunity to assist the SAE in developing industry supported quality management standards for each of your products.

As an ATmarket supplier, your Showroom certified products will automatically include an insurance-backed product warranty, with benefits consistent with OEM standards.
